"The Raiders played summer baseball for the first time with a very young and inexperienced team. The team had only 2 returning lettermen to lead them offensively and defensively. Lacking seniors, the team leadership wasn't present and the team had trouble being consistent. The sophomore and juniors got valuable experience that should make them a tough opponent in the 1981 year."

Stan Conrad

"The opening season for the girls softball team was an excellent one. Many close games were lost but considering the young girls and it being our 1st season, the girls did a "super job."

Pitchers Chris Karnitz and Mary Jo Rozmarynoski pitched very well and I'm sure are going to have a fine 1980-81 season.

I would personally like to congratulate the girls and wish them a lot of continued success."

I'm very satisfied with the season. A very young team that learned a lot about the sport this year; they progressed and improved right up to the end. We consistently finished in the top three of most multiple school meets, we were in. I know I had, and I think the team members had a lot of fun!

The boys' swimming team is an excellent group this year. We finally have some of the depth we have been striving for for the past years. We are also blessed with several excellent swimmers like Pete LeClair, Todd Gordon, and Doug LeClair. We expect to break several school records and finish on the winning side.

Swim Team Goals: To train with the idea of conditioning the cardiovascular system and shaping the body to improve speed in the water. This did happen and the results were records broken and a record season of 7 wins, 2 ties, and 1 loss.

More records will be broken this year as we get ready for the season's peak and go into the conference, sectionals and state swim meets.

The Raiderettes have fashioned 29 out of 30 dual meet victories, and with a majority of players coming back, the future looks good." Coach Conrad

The agony of defeat!

Way to go!

Team togetherness brought the Raiderettes Girls Volleyball team a superb 13-1 record and the EWC crown. The team also combined devastating kills with precise serving to win the Regional title over Manty 17-15. As the scores indicated, it was a superb match.

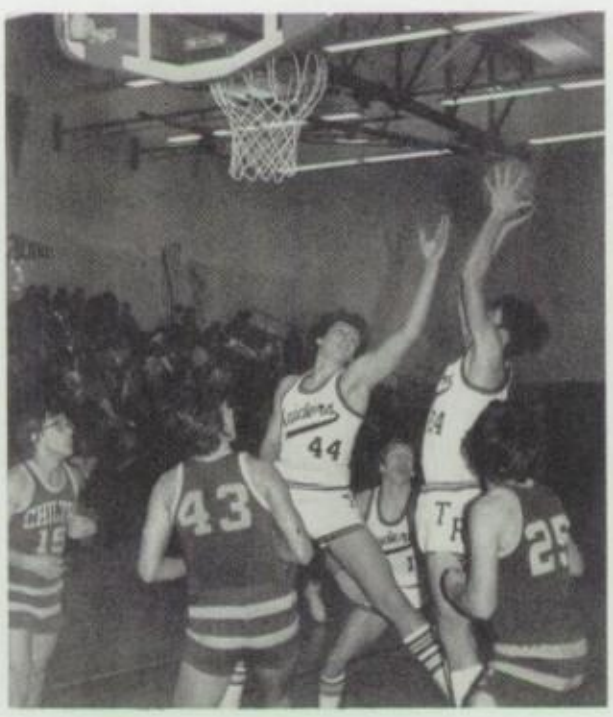
Meeting of the minds.



The 1981 basketball team proved to be a worthy successor of great Purple Raider teams of seasons past. Seasonal scoring records set by the 1957 championship team were broken. All the boys know how the game should be played, and their all-out hustle and spirit excited the fans and earned the respect of their opponents.

This was a very rewarding year. The first time in the history of girls' basketball, at Two Rivers, that our girls were rated as high as 10th in the WIAA state ranking. We had a lot of excellent play from our starters, and the reserves coming off the bench a lot of promise for the future. As a coach I'm very pleased to be associated with a fine group of young athleres like these.

Everyone Knows Where Two Rivers Is . . .

Cayemberg kicks game winning field goal.

This was the beginning, the first page in the 1980 playbook.

Those of you who were with us last year have an even bigger challenge as the real test is in KEEPING the Championship. Seniors, this is your team, a new year, a new team, and a new challenge.

We expect you to take charge and lead us all the way in 81.

WE ARE, TR.

Coach Bonino

Let the confetti fly.

State Title!

The only way to describe this year's football team is with extreme pride and joy! Nothing can compare to winning a State Championship except the Super Bowl, and then it's a close race.

The Victory not only reflects the guys, but the entire city. Congratulations to the team and expecially the coaches for putting Two Rivers on the map, after a 39 year lapse between State Titles.

Celebrating the victory.

SONG

"Pieces of April"

April gave us Springtime,
and the promise of the flowers.
And the feeling that we both had
and the love that we called ours.

With no time for sadness around,
to make me feel this way.
Just as I did in April,
it's a morning in May. (Refrain)

I've got pieces of April,
I keep them in a memory bouquet.
I've got pieces of April,
just a morning in May.

We stood on the crest of summer,
beneath an oak and grass of grey.
Feeling as I did in April,
Not really knowing what it means.

(Refrain)

Putting it all together

Dirty Work set the romantic mood

East Meets West

Lori Schoss is spending her junior year in Hudiksvall, Sweden. She was honored as Lucia Queen and hosted the city's festivities that began December 13. Lori did some skiing during Christmas vacation. Her host parents are Agnata and Gunnar Uhlin. She is working with the handicapped and retarded and would like to make this her career.

Lauri Kummerow has enjoyed herself in Miyazaki City, Japan; a city of 250,000 people. She has stayed with Hideo Kowano, Manakatsu Ooora as well as two other families. A big activity of Lauri's is chorus, in which she recently won a first place. Lauri has also received the keys to the city. Though she is learning flower arranging, hand sewing, and

Japanese, she misses American music.

Noel Pineda came to the U.S., leaving Angeles City, his hometown in the Philippines, to live with John Lango and his family here in Two Rivers. He is also spending his time with the Claybrook and Gruetzmacher families. His native language is Philipino but his dialect is Pampango; English is a secondary language. He is enjoying many new sports as well as new foods.

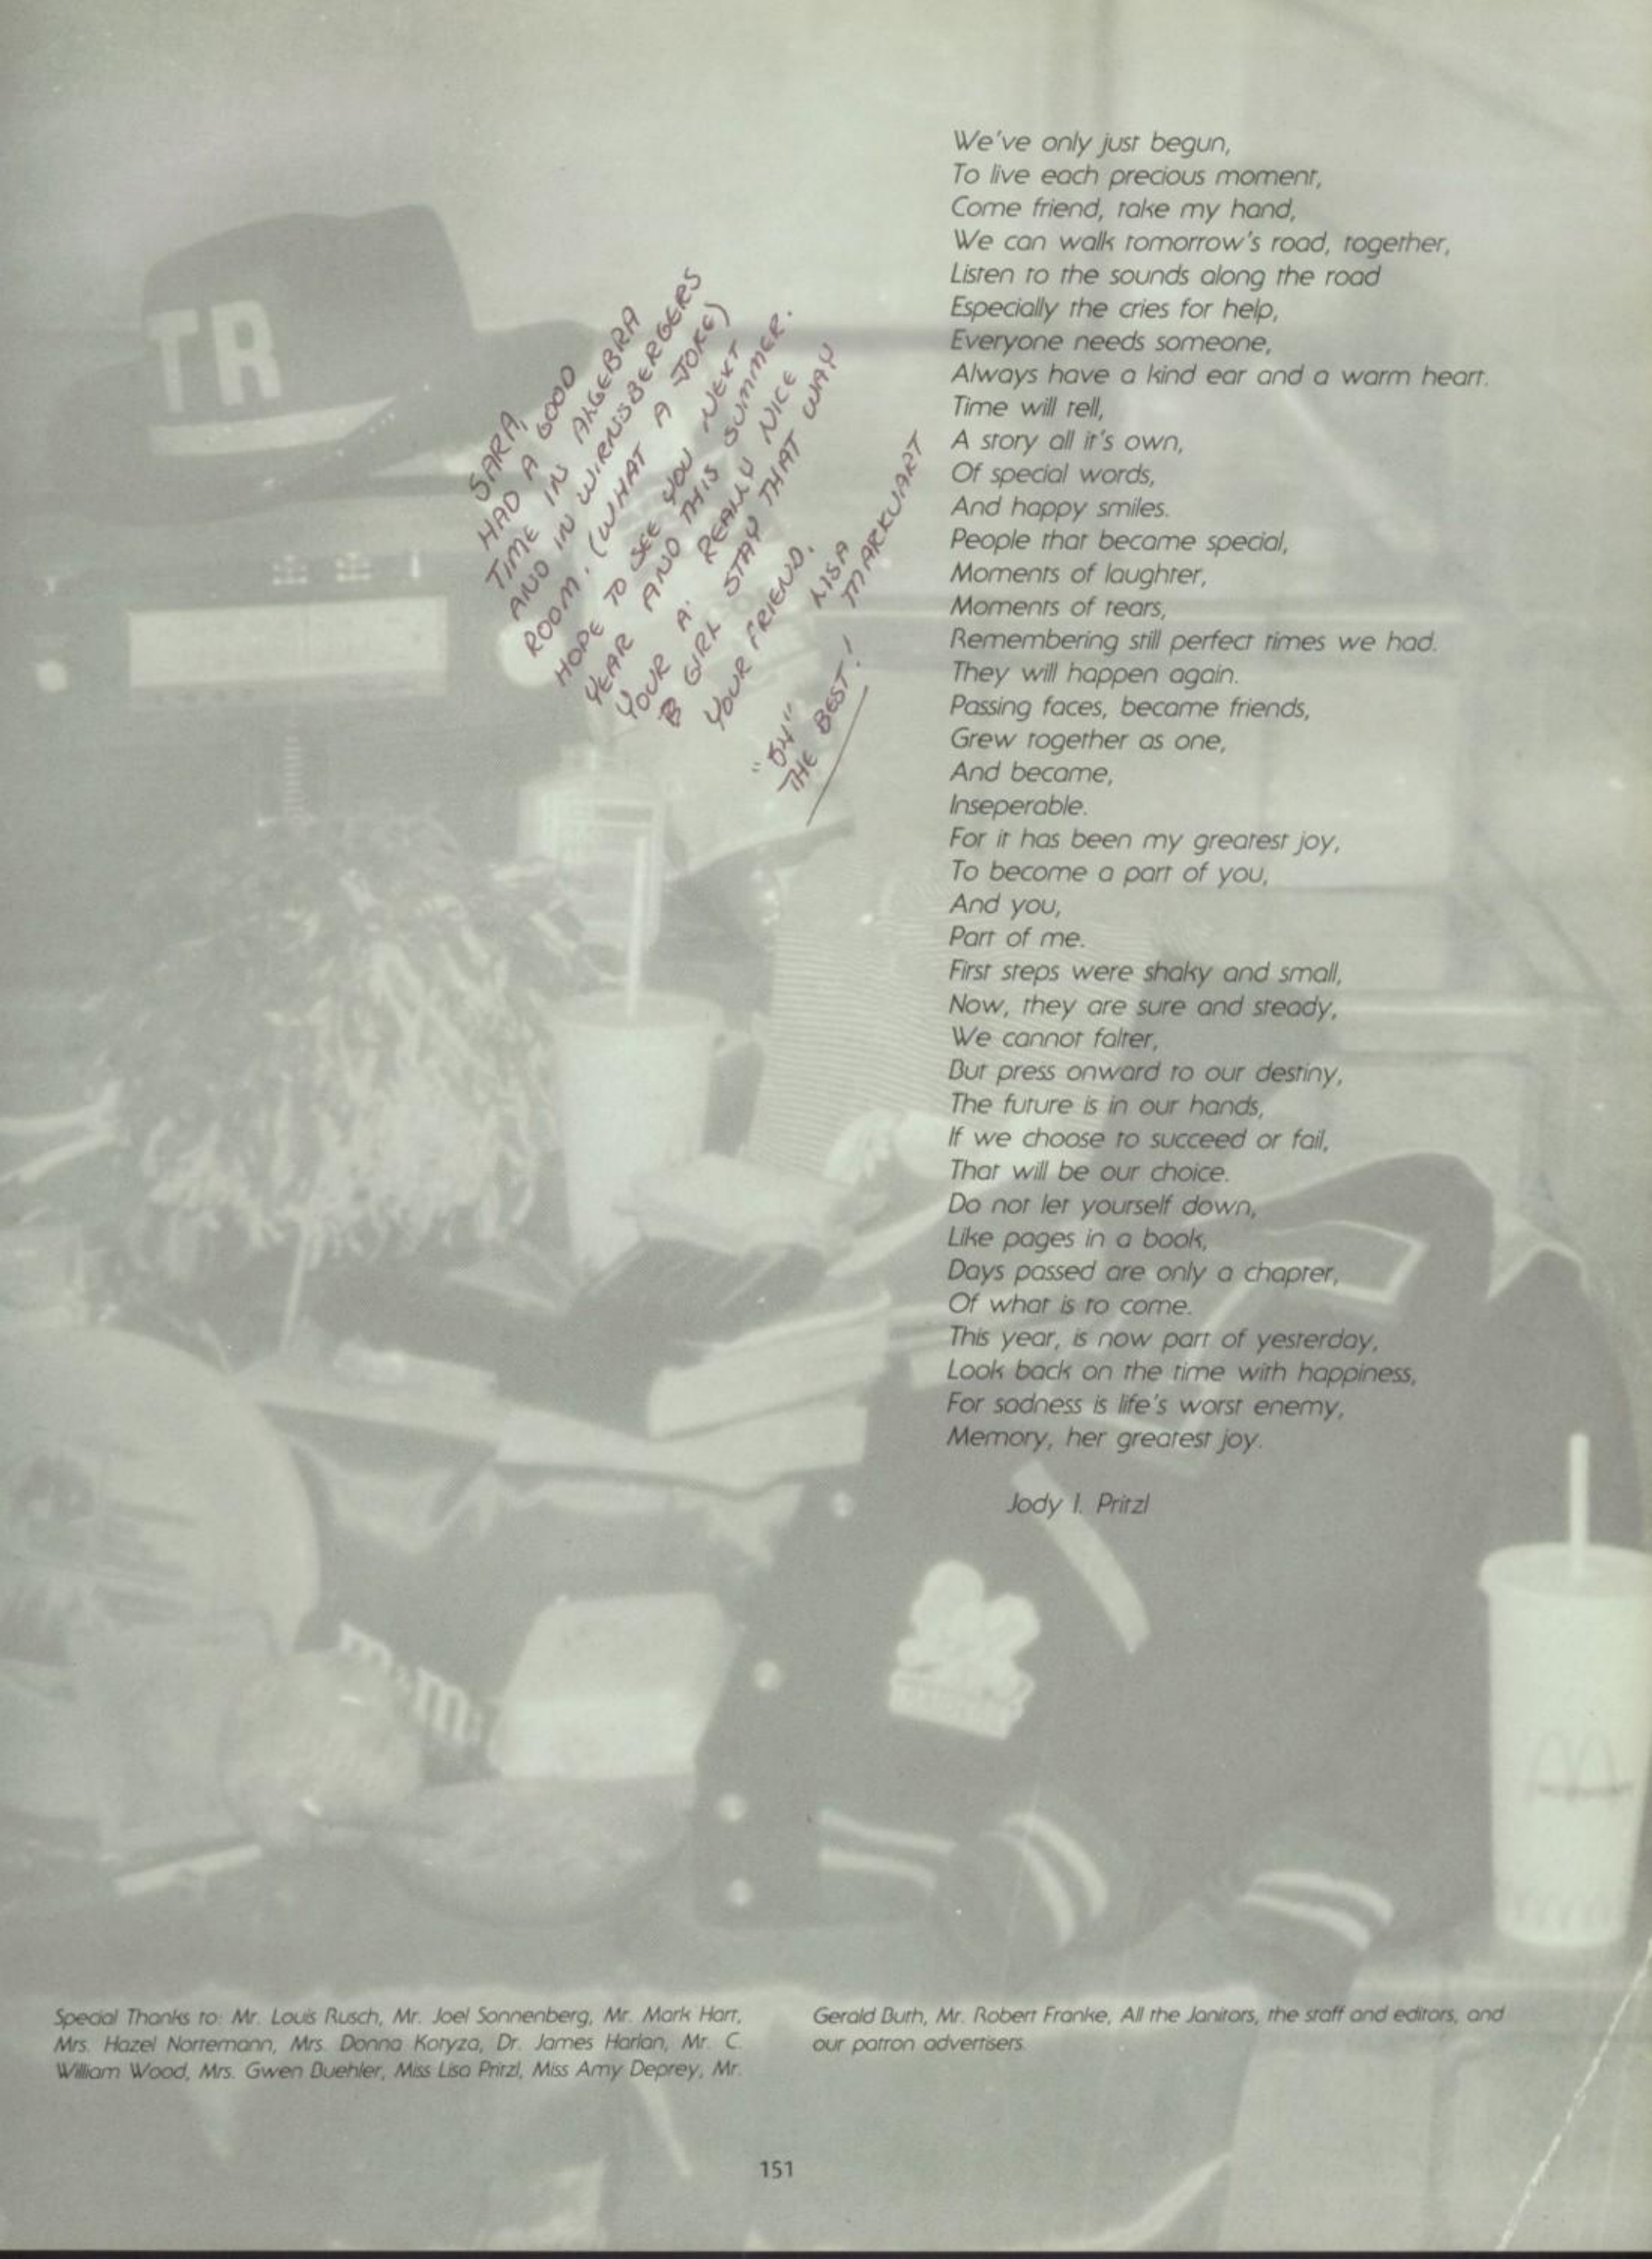
To You;

Friends made this a wild and crazy year. Always there to share the days, we will not forget them.

When thinking of a dedication it is easy to think of a favorite teacher or someone active in the community but what is the school really made up of? The answer is simple, students. They're everywhere. Screaming down the halls, Sleeping thru class or just standing around talking to friends. Without the students there would be no need for teachers, administration or even a building. Therefore the 1981 Neshotah Yearbook Staff takes great pride in dedicating this year's annual to the student body.

Smiles reflecred the spirit of the "80's"

Competition was seen and heard all year long especially when it came to football. Did somebody say State Champs? It must have been Two Rivers!



We've only just begun,
To live each precious moment,
Come friend, take my hand,
We can walk tomorrow's road, together,
Listen to the sounds along the road
Especially the cries for help,
Everyone needs someone,
Always have a kind ear and a warm heart.
Time will tell,
A story all it's own,
Of special words,
And happy smiles.
People that became special,
Moments of laughter,
Moments of tears,
Remembering still perfect times we had.
They will happen again.
Passing faces, became friends,
Grew together as one,
And became,
Inseperable.
For it has been my greatest joy,
To become a part of you,
And you,
Part of me.
First steps were shaky and small,
Now, they are sure and steady,
We cannot falter,
But press onward to our destiny,
The future is in our hands,
If we choose to succeed or fail,
That will be our choice.
Do not let yourself down,
Like pages in a book,
Days passed are only a chapter,
Of what is to come.
This year, is now part of yesterday,
Look back on the time with happiness,
For sadness is life's worst enemy,
Memory, her greatest joy.

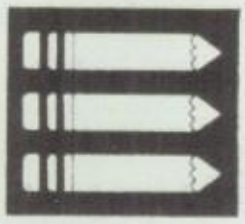
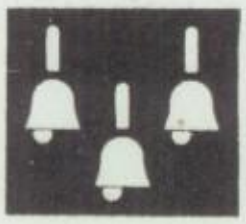
We are an equal opportunity employer m/f.

We have a lot to be proud of in Wisconsin– especially our schools.



Wisconsin's school age youngsters continue to score better than the average student in either the Midwest or the nation on standardized tests of achievement.

All Wisconsin school districts are required to employ reading specialists to coordinate the teaching of reading from kindergarten through the 12th grade.



Wisconsin is a forerunner among the states in providing comprehensive screening and specialized instruction to children with emotional and intellectual learning disabilities.

In a recent state survey, Wisconsin residents listed the quality of their public schools as the #1 strength in their communities compared to all other community assets.

Congratulations and Best Wishes 1981 Graduates!
We hope you'll continue to share our school pride.
